## Responsible Visitor Charter

As part of our commitment to the environment, we respectfully ask all of our visitors to support the following:

1. **Conserve energy** – Reduce energy use by switching off lights behind you. [www.energysavingtrust.org.uk/](http://www.energysavingtrust.org.uk/) provides information on what you can do at home.
2. **Give the Car a Rest** – Leave the car behind, if only for a day. Walk, cycle, or use public transport.
3. **Shop Locally** – Use local products to give you a flavour of the area!
4. **Reduce, Reuse, Recycle** – Need we say more? But every day enough rubbish is thrown out in the UK to fill Albert Hall...once every *hour*!
5. **Be Water Wise** – Please use water responsibly.
6. **Respect Nature** – Help our local starlings and sparrows by not littering.
7. **Support other Green Tourism Businesses** – Heritage Portfolio actively associate with other businesses who have the same high standards and achievements as us. Please visit [www.green-business.co.uk](http://www.green-business.co.uk) to see who has been awarded Bronze, Silver, or Gold accreditation.
